Testimonial for Zane Brown of Drillforce NZ Ltd

T A Reynolds Ltd is a family owned farming operation in the Pukekohe and Tuakau Districts, growing a range of vegetable and fruit crops as well as cattle raising.

We are endeavoring to have irrigation available on all of our properties so as to guarantee yield as well as sizing and quality specifications for all of our products.

Recently we have engaged Zane Brown and his Drillforce Team for Well Drilling and Bore Construction. We find them very knowledgeable with regard to water availability from local aquifers and to the detailed design of the irrigation bores.

They have excellent drilling rigs and a wide range of ancillary equipment with skilled drilling operators and backup staff for onsite engineering work. They have an environmentally responsible approach to their operations and have good relationships with the various regional councils.

We would highly recommend Zane and his team to any business contemplating a water supply project.

Most sincerely

A handwritten signature in black ink, appearing to read 'P. Reynolds'. The signature is written in a cursive, flowing style with some loops and flourishes.

Peter Reynolds.
